Hi! I'm Lilly, and this is Jerry, my cousin. I live in a big flat, and my cousin lives in a small house. But there is a wider garden in his house, so we usually play games there. My house has a more modern door and beautiful windows. Jerry's living room is brighter than my living room. His sofa is more comfortable, too. But it is a smaller room. I have two brothers. Jerry has no brothers or sisters. So, his hallway is quieter! I think his bedroom is also cleaner than my room. But there is a nice wooden wardrobe in my bedroom. There are colourful shelves in my kitchen. I love my house!
