Adam's Favourite Recipe

Adam is in the kitchen to make his favourite recipe. First, he boils a glass of beans. Later, he washes the vegetables and cuts them. He also slices two onions carefully. He heats oil in a pan and cooks the onions. He adds the vegetables and the beans to the pan. He then sprinkles some spices, salt and sugar.

He places the meal on a plate and pours some tomato sauce on top. It's all ready to eat now!
