Turkish coffee is very important for Turkish people. Most Turkish people drink it every day, especially after breakfast. I want to tell you the recipe of a delicious Turkish coffee.

- First, pour some cold water in a *cezve* (Turkish coffee pot) and add some Turkish coffee in it. (2 teaspoons of coffee for each cup)
- Next, start heating it.
- Then, add some sugar into the *cezve* (if you want) and mix it until the sugar dissolves.
- After that, continue heating the coffee slowly.
- Finally, pour the coffee in a cup before it boils. (Never boil it!!!)

Enjoy.

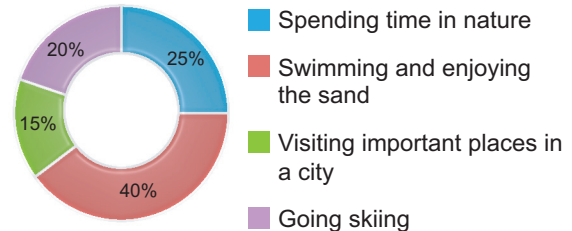

You should serve Turkish coffee with water because Turkish people enjoy drinking water before Turkish coffee. You can serve Turkish coffee with some chocolate or Turkish delights. If you are serving a group of people, you should start with the oldest person in the room.
